

Dear Family

YAY IT'S HALLOWEEN! So it is down for  
now and one of our appointments cancelled for  
we will only be out from 5pm to 7pm. So Top  
Lane. Oh well. Guess what I did. Write something  
ward mission leader called. and said he was  
by and pickup books of memory. well I found  
my little weep. with the phones on silent  
looked back. so now I can't get a hold of him  
texted. I know I'm gonna pay for that it  
puts me on hold... because my last name is T  
He's way awesome. His name is Tap and he is  
Angways. So crazy. A whole stake from  
mission just moved into our mission we now  
new missionaries in Ft. Lauderdale. Crazy  
a chance of being moved up north now. I think  
so we are making an Old Halloween Feast! Spooky  
Salad and Rice. with cupcakes. Turn. Um so I  
sick this week. my neck, not just my throat,  
neck, ears and sinus was all swollen. and I was  
so bad I couldn't eat anything. I slept in almost  
day until 9am. did some study and slept until  
went out come back @ like 8 and slept til the

just I can wake up in the morning now. ☺

So can you tell me why people say we think the Christ's Brother? Many people try to debate us this. I have never encountered such an offense!

But I get that we are all children of God. An was @ one point, but now he is just Satan. for

laugh. Especially when they say that we

and they try to teach us some doctrine but they

themselves. Oh people. we finally dropped our

Matt's Mormon on the inside but claims to be

Witness. The worst part is that she doesn't know

the frauds say! How could you go to a church

you don't believe in what they say. <sup>believe?</sup> It's

Oh and we are teaching a man who believes that

is kinda like a Jesus Figure. It's very interesting

we want him to be baptized and all, but

believe there is a modern day prophet we

him baptized on the 19th. Sign people come

we have done alot in our area. I'm hoping

baptism soon. or I feel like I'm banging

on glass. But all is well here life is good

work is work and fun. Oh I gave a talk

in Sacramento. it was about teaching.

not good @ doing that. But it was okay
